July 27, 2019 We depart Louisburg this morning at 6:00 A.M. from Carly C's, Rocky Mount at 6:40 A.M. Other departure points will be determined to accommodate all those who wish to go. We will be making a breakfast stop enroute to Hatteras. The Cape Hatteras Lighthouse, with its black and white candy-cane stripes, is one of the most famous and recognizable lighthouses in the world. Protecting one of the most treacherous stretches of the Outer Banks, with a beam of light that spans 20 miles into the ocean, the lighthouse is also the world's tallest brick lighthouse at a staggering 208' ft. tall. The Lighthouse is available for climbing if you would like to do so. After touring the Lighthouse we will head back to Nags Head where we will stop to eat at Basnights Lone Cedar Café. After dinner we will head home. Arrival home should be around 8 P.M.
