May 25, 2019 We depart this morning from Louisburg at 6:00 A.M. from Carlie C's, 6:30 A.M. at Henderson from Roses Norlina Rd. We will be stopping in Petersburg for breakfast this morning. Our next stop today, will be at George Washington's Mount Vernon. Mount Vernon is not only America's most popular historic home, it is also the nation's oldest historic preservation project. Here you'll explore history firsthand and get to know the "real" George Washington. You'll see the bed in which he died, and take in stunning Potomac River views. More than a dozen outbuildings are meticulously restored, including a major greenhouse, stables, slave quarters, and kitchen. History abounds here with museum exhibitions, the Slave Memorial and Burial Ground. Next we will be going to the new National Marine Corps Museum in Quantico Va. The National Museum of the Marine Corps is a lasting tribute to U.S. Marines--past, present, and future. Situated on a 135-acre site adjacent to Marine Corps Base Quantico, Virginia, and under the command of Marine Corps University, the Museum's soaring design evokes the image of the flag-raisers of Iwo Jima and beckons visitors to this 120,000-square-foot structure. World-class interactive exhibits using the most innovative technology surround visitors with irreplaceable artifacts and immerse them in the sights and sounds of Marines in action. After the museum, we will depart for home stopping for dinner on the way. We should arrive home around 9:00 P.M.
