Our home for the next 3 nights will be at the Holiday Inn Express.

April 23, 2019 This morning after breakfast, we're in for an adventure as we visit the **Creation Museum**. The state-of-the-art 75,000-square-foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. The museum allows for personal interaction with each of the 160 exhibits. Walk through the Garden of Eden. See the scaffolding, smell the freshly-cut timbers in the busy work site of Noah's Ark. Dig up dinosaur bones or come face to face with T. Rex. Experience the Special Effects Theater, complete with rumbling seats and rising mists, which takes visitors on a fantastic quest to find the real purpose and meaning of life. There are also three spectacular gardens, a petting zoo, and more. After the tour we will visit some sights around Cincinnati.

April 24, 2019 Today we will experience a historically accurate, life-size Noah's Ark. The **Ark Encounter** is a full-sized reconstruction of Noah's Ark, making it the largest timber-frame structure in the world. Stretching more than 1.5 football fields in length, the sheer size of the Ark will amaze visitors. Dozens of exhibits within this unique attraction will bring to life the biblical account of Noah's Ark. You will learn how Noah and his family could have fit and cared for the animals on the Ark. Other spectacular exhibits showcase what Noah and his world were like before the Flood, while others highlight the enormous impact the Flood has had on our world. The Ark Encounter is three exhibits in one—the massive Ark structure itself, the incredible craftsmanship, and the beautifully fabricated teaching exhibits. The combination of all three will amaze and inspire you to think differently about the biblical account of Noah's Ark.

April 25, 2019 This morning after breakfast we will be departing for home. Making stops for rest breaks and food along the way. Arrival back in Louisburg around 8:30 P.M.
